BUSINESS LINK CAN HELP YOU GET YOUR IDEA OFF THE GROUND

We offer a mentoring and coaching programme, which can provide:

- Help and support to build your confidence
- An opportunity to talk through your business idea
- The chance for you to explore ways to get your business started

Our business coaches understand that you will have lots of balls to juggle in your daily life. They will work with you to provide one to one support to help you make the next step in taking your business idea forward. They themselves have experience of being business owners, so their advice is practical and based on industry knowledge.

“ I have found my coach to be supportive and knowledgeable regarding my current situation and understanding of what I need to be focusing on.” Vicki (Bolsover)

“ The coaching session was really useful in helping me identify where I need to improve my confidence and decision making.” Julie (Sutcliffe)

“ My coaching session was superb; the coach was extremely encouraging and worked through my issues logically and professionally.” Annie (Stoker)
