For all those times you believe yourself  
to be less than who you truly are

## *Dedication*

Dedicated to Graham Bird, who inspired  
me to seek and find my purpose.

For my Grandson Joshua Andrew Wilks  
born sleeping 27/02/09

## *Acknowledgements*

To Phil Johnson, his help and support have made this book possible. Not only is he my website designer, business advisor and marketing consultant, he is my confidante, sounding board and most importantly my friend. Thank you Phil for going above and beyond and having the faith in me, even when I didn't!
